obituary newspaper

Feb.1, 1926

Emmaline (Kelty) Blosser, daughter of David and Hester (Cook) Kelty, was born Apr. 22, 1859, near Salem, O., Columbiana County. She was one of thirteen children. She moved with her parents to a farm near Joliet, Ill. in 1871. She married Elwood Greenwood in 1876. To this union was born two children, who with their father, lie buried in Illinois.

The widow, Emmaline, then came to the home of a sister, Mary Sewell, near Farmer in 1880. She married David Blosser in 1882, Apr. 6. To this union was born ten children, five of whom are living: Sherm, John W., Edith, Karnes, Miss Carrie Blosser, Florence Webster, Besides she leaves a step-daughter, Mrs. Harry (Della) Swope of Toledo, O., a step grandson, Britt Haller of Elkart, Ind. and ten other grandchildren, to mourn the loss of one who was ever so kind to them. Five children preceded her in death; David Lee (born July 24, 1888, died June 22, 1891, aged 2 yrs., 11 months and 2 days.) Hazel(born Jan. 15, 1892, died Jan. 16, 1892, aged one day) (Mom says, the three sons who were still- born, were buried under a peach tree, in the garden, west of the house) She was also preceded in death by two sons b y her first husband, Elwood Greenwood. A step-daughter, Cora Alice Haller, preceded her in death in Jan. 1916.

There remain of the thirteen children of David and Hester Kelty, five children still living. The oldest, Sarah Buck, of Avilla, Ind. being 80 years of age, two brothers, James of Los Angeles, Calif., John of Joliet, Ill., a twin sister, Caroline Horne Osborne of Chippewa Falls, Wis., and Mrs. Arthur(Rebecca) Snyder of Bryan, O.

The old folks, the Kelty's, had came to Ohio, soon after their daughter, Emmaline married David Blosser. They lived and died just south of Farmer, O. on the east side of the road. (Between the Ensign and Book farm. The Book farm was then Sol and Mary Sewell farm, their daughter).

Emmaline Blosser was baptized into the Methodist Episcopal Church in infancy and joined as an active member at Farmer in 1892, holding her membership till 1898, when she transferred to the Church of Christof Farmer with her husband. She remained an active member of this Church congregation until her illness in Aug., 1924; and she was a Christian until her death. She was also a charter member of the Christian Ladies Aid which was organized in Nov. 1909. She worked in this Aid until her illness kept her at home.

Emmaline went into the Lew Bowker Women's Relief Corps at Farmer upon its organization in Jan. 1891, as a Charter member and she held the office of Chaplain at the calling into a higher field of action.

Emmaline passed away in her home in Farmer, O. on Feb. 1, 1926 at the age of 66 years, 9 months and 9 days.

Our friend will not alone be missed by her family and fellow workers of the various organizations in which she held memberships and for which she gave of her time and services as willingly and gladly while able to do so. But this dear woman is going to leave an empty place in the neighbors hearts which shall never quite be filled. She was always dropping in with a jolly bit of talk, or a bit of something good to eat, she desired to share , as she was generous and unselfish to a fault.

Emmaline and Mr. Blosser lived and raised their family until all had left the home nest, in 1918 while on the farm south of town where she went on her marriage and she cared for his two motherless daughters, Cora, aged 15 years and Della, aged 11 years.

Mr. and Mrs. Blosser moved to Farmer in Nov., 1918(first house south on east side of street) where Mr. Blosser passed away May 5, 1919. he had been more or less of an invalid for years. She then persuaded her son, John, to return and run the farm and she made a home ~~of~~ for him in town, she was always busy and happy while able to be up and doing.

Funeral services were held for Emmaline Blosser in the Farmer Church of Christ, with Rev. Seth R. Aldrich officating, music by Mrs. Daisy Tuttle and Mrs. Emma Landis of Hicksville. Mrs. J.M. Hosack and son Herbert were in charge of services, burial in Farmer, O. Cemetery, along with two young children: David Lee and Hazel.

In Remembrance

The Twenty-Third Psalm

The Lord is my shepherd; I shall not want.
He maketh me to lie down in green pastures:
He leadeth me beside the still waters.
He restoreth my soul: He leadeth me in the
paths of righteousness for His name's sake.
Yea, though I walk through the valley of the
shadow of death, I will fear no evil:
for thou art with me; thy rod and
thy staff they comfort me.
Thou preparest a table before me in the
presence of mine enemies:
thou anointest my head with oil;
my cup runneth over.
Surely goodness and mercy shall follow
me all the days of my life:

In Loving Memory

THE Lord is my shepherd;
I shall not want.

He maketh me to lie down in
green pastures: he leadeth me beside the
still waters.

He restoreth my soul: he lead-
eth me in the paths of righteousness for
his name's sake.

Yea, though I walk through
the valley of the shadow of death, I will
fear no evil: for thou art with me; thy
rod and thy staff they comfort me.

Thou preparest a table before
me in the presence of mine enemies:
thou anointest my head with oil: my
cup runneth over.

Surely goodness and mercy
shall follow me all the days of my life;
and I will dwell in the house of the Lord
for ever.

Defiance Crescent News: Sat. Oct. 22, 1938

The eighth annual Husking Contest, Defiance County will be held Tues. in a field of hybrid corn at the V.C. Cameron farm one mile north of Independence. A record list of eighteen entries now are engaged in an elimination round designed to pare the list to a dozen. Each contestant selects a plat of corn, two timers and gleaners and husks in any thirty minute period. Then the gleaners count the number of ears, weigh the corn and make report to County Agent R.R. Clymer. Everett Ford of Rt. 2 Hicksville, four time winner and holder of county record of 23 bushel, heads the list of contestants with Dale Brown of Mark Center who won last years contest with a mark of 22.58 bushels.

Dear Roena. 1998

Ill try & write you a note as I haven't heard from you for long. I was worried & wondering if you were sick or something. Ive had a rough winter this year I had my gaul ~~bad~~ bladder out, I think in Nov. then the last of Nov. I was feeling fine & I went to town & got my groceries on Thurs. came home & put them away & then on Fri I went to the bath room & I was hemoraging I called Eldons & he took me right over to the hospital at Bryan & they took me to Surgery & cut out a foot of my Colon - I seemed to getting along O.K. and in a few days I wakened up & I couldn't move my leg & foot I had 3 strokes which made me deaf in my right ear - & it bothered my right leg, Thank the Lord I still have my eyes but I dont remember sometimes.

they said they couldn't do any more for me so they sent me over to Park view at Fort Wayne in the ambulance. when I got there I was out of it - didn't wake up till the next morning - so I was in + out of it part of the time - they were going to give me Therapathy. which they did - I couldn't walk or talk very good - they took me out of the bed which I hadn't set up for weeks + took me out for dinner - In the rain - + I came back I coughed for 2 day + 2 night without stopping then I got the flu. + I had infection from the medicine they were giving me + that was terrible they still was giving me thera pathy + said they couldn't do any thing for me + the Doctor at Bryan so they sent me home - Lois stayed with me for 10 day + she had to go home then they took me to Dr Lamars + I was there a couple weeks - then Lois came + took me down there for 1 ½ weeks + I had an Dr. appointment to get my blood checked - they gave me blood + they couldn't get it adjusted. it was either too thick or too thin - they worked on that all the time I was in both hospitals

I was improving at Lois + I fell + then I had to use my cane again but I don't use it much any more so Lois brought it home + I've been doing for myself ever since - I've done everything else but haven't used the sweeper but think I can.
I have to go to the ~~Drs~~ Lab this week to get my blood checked + to a Dr to get checked up on.
I went to church with Eltons yesterday. I have only been out to get my hair done + I have been to the grocery 2 times since last fall - I'm gaining slowly its a long road back.
The wind blew terrible yesterday tore some of the apron off of the trailer
Delmar had the yard cleaned up but it blew a lot more limbs off. he brings in my paper every day +
Judy get my groceries
I was down there for Easter supper

I saw this clipping in the paper quite some time ago but didn't get it sent to you thought you would like to see it.

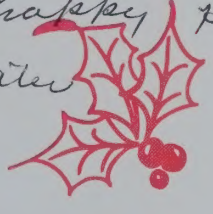
Elton's son looked him up last year he hadn't seen him since he was 7. I think he was born 1958 he is married & has 2 children he has been to Eltons a number of times & they have been out to see them at Brownsburg 2nd a few times they were here a few minutes when I came home from the hospital. I'm going to have a great great grandchild soon. Eltons great granddaughter is expecting

Darnell's boys are surely growing up they were to Wilmans Easter for Supper they all grow up so fast.

the wind blew a pole & transformer across the road last night at our neighbors so the road was closed & we were out of light for quite a while

Hope you can read this - I'm not a very good writer but I can walk - talk see but can't hear very well. & have some trouble remembering. Write & Come & see me if you are able Love Talva

Dear Roena. Hope you are O.K. Delmar says I'm gaining its slow I had surgery then they took out a foot of my colon + part of my stomach - then I had 3 strokes. flu + infection so I nearly kicked to bucket - I don't hear very well + can't remember very well - I do a poor job writing. I was in the hospital for weeks last winter. didn't get to send any cards. I can't drive the car so someone has to take me where ever I have to go. I hate being so helpless. I'm alone can do my work at a fashion - do a little + then set down. I guess every one is O.K. here. Helen B Brown has cancer of the pancreas 3p. not a bit well - Geneva + I were to see her a few minutes today. Have a happy Holiday + write. will write more later Love Talva



May all the joys of the Christmas Season
be yours today and always

What
expect f

Hi Roena & Lelah.
So glad to hear from you. I've been thinking about you & was wondering how you were getting along & where you were.
I wrote to you about Wayne (Lois husband). She has finially got him home from the hospital she was here 3 weeks & then they transferred him to Columbus but isn't able to put any weight on his leg, but can move it his arm is gaining a triffle & he can say a few words - yes & no & a few others. the therapist says he will have him talking by May: but it will be a long way back. the therapist comes 3 times a week & the nurse once. Lois can get him into the wheel chair & get him out into the living room. I haven't talked to her this week yet. she usually calls once a week or I call her. Dale thinks talking to her does her more

good than a letter but sure costs more. but if that makes him happy so what.

Geneva (Kenny's wife) fell + broke 2 bones in her ankle. Wilmar just brought her home from the hospital yesterday. Ill get down to see her tomorrow if I'm able to drive to town. haven't drove the last couple weeks as Dale didn't want to get out + there was snow etc. + he didn't want to go. + I just have a permit so Wilmar took me once + I went with Judy last week. the snow is nearly all gone today unless we get some more. I hope to get him over to the Dr. next week because he will be out of medicine. I usually get enough to last 3 weeks at a time Dale has been not feeling as good had ulcer trouble + kidney trouble had to take him up last week to get a cathater put in - was in 5 days - Things seem to be working again

Elton is still driving trucks at least last week. maybe he can hang on. haven't talked to him for 3 weeks - he isn't home very much. Ronnie + Cheryl (Elton's boy was working in Wyoming but came back + got a job in Wiliance. I guess they are still staying at Eltons. they have to get their furnace fixed in their trailer.

John (Wilmars boy) will be 8, May 10 he is really growing up. goes coon hunting with Wilmar when he doesn't have school. he set a trap himself + caught a muskrat sold it for $3.75 + was he proud. Wilmar has 2 good coon hounds 1 one puppy which he takes along they caught over 50 + they just take one or two a night - they hunt for the sport + not the game at least he gets exercise + fresh air after a day in school.

Darnel is counting the days when she can get out - she hated school hope she can get a job right away Katie Rae hasn't found one yet

or at least when Eldons were here hope she can find something soon.
I had something wrong with the vein in front of my ear - since before Thanksgiving - very painful but its lots better. I hope its gone for good. I never had anything like that before & don't want it again. So far we've had the least ~~snow~~ rain that I can remember - hope we don't have any more. I've got a lot of raking to do when the weather gets warm. Wilmar is talking about making garden he always raises a big & good one. gives as much away as they use usually. but he enjoys it.
I must get this in the mail & the cats & dog fed - because Dale will be getting up pretty soon. & my waiting on day will begin.
Hope Delah is gaining every day. sure hope you can find someone to look after her before you have to leave. she needs someone to prepare her meals for her. do they have meals on wheels there? that would give her one good meal a day. Love Talva

write again!

Wilmar works in Defiance + Judy works at the Jewelery store 3 days a week. likely works every day through the holidays They have had bad colds so don't come down Elton + Sharon have had bad colds but were here last Sat P.M. a little while. Elton hadn't been home since Thanksgiving - he drives Piggyback + they send him here + there, so he doesn't get home much.

Lois + Lloyd were on a cruise + trip - France Spain, Italy Greek Island. + don't know where else she hasn't been home since they got back. - she calls me every other Sun.

Went to town yesterday - It was awful cold here today so was glad I went yesterday.

Carmon was over the other P.M. seemed pretty good.

News is scarce - I'm trying to get some cards in the mail. Seems like I'm in a rut can't get my things done.

Hope this finds you both in good health + Have a Happy Holiday

Love Talva.

Hi Folks mailed dec 15, 1989

Sorry to have missed you when you were here. I was up to the hospital with Hale. He had real bad infection in his bladder kidneys & postrate gland. he hemoraged. he was in the hospital a week. they found cancer in the postrate glad. which they found some years ago but didn't seem to bother him they had taken care of it when he was in the hospital some years ago. but I guess it broke out again on. Lois brought him a lift chair & that helps a lot. he says his sore all over.

God saw he was getting tired,
and a cure was not to be;
So he put His arms around him,
And whispered, "Come with me."
With tearful eyes we watched him suffer,
And saw him fade away;

Although we loved him dearly,
We could not make him stay.
A golden heart stopped beating,
Hard working hands to rest;
God broke our hearts to prove to us,
He only takes the Best!

The Lord is my Shepherd; I shall not want.

He maketh me to lie down in green pastures; he leadeth me beside the still waters.

He restoreth my soul; he leadeth me in the paths of righteousness for his name's sake.

Yea, though I walk through the valley of the shadow of death, I will fear no evil; for thou art with me; thy rod and thy staff they comfort me.

Thou preparest a table before me in the presence of mine enemies; thou annointest my head with oil; my cup runneth over.

Surely goodness and mercy shall follow me all the days of my life; and I will dwell in the house of the LORD for ever.
